AJA Architects have provided architectural and development consultancy services from their ***Coventry*** *offices since 1979, combining demonstrable experience with a fresh, innovative approach to each project, in order to create optimum solutions for our clients.*
We have developed a reputation for expertise in a number of commercial sectors, notably office, retail and industrial, together with an extensive track record in large scale master planning schemes.
Our belief is to provide a quality, commercially focused service, always looking to add value for the benefit of our clients and maintaining an active personal reationship from the start to the completion of a project.
