

FREE Skills Review for your business

Skills > Training > Apprenticeships

We offer training that's tailored around your business, and to do that we start with a **FREE no obligation Skills Review**.

A flexible service tailored to your needs

We offer a range of vocational and professional training programmes which can be tailored so they are exactly right for you:

- Apprenticeships – we train over 600 apprentices every year
- Higher Apprenticeships
- Industry specific short courses
- Regulatory and legislative courses
- Individual bespoke training programmes tailored to suit you
- Consultancy services
- Recruitment services

Hear from one of our clients:

“Barking & Dagenham College stood out from the other contenders. Their professionalism and flexibility in designing the training programme for our team was impressive.”
