

In partnership with the London Borough of Barking and Dagenham, Bouygues Development is delivering sustainable development solutions in Barking, helping communities to thrive and prosper.

London Road

Our London Road development is a mixed use project, in the heart of Barking Town Centre and will deliver over 100 homes, a new food store as well as retail units. The project is due to complete in 2015.

Abbey Road

Abbey Road's Creative Industries Quarter is set to regenerate a historic part of Barking. The project will deliver commercial and creative spaces on the ground floor and 272 homes over two phases. The project is due to complete in 2014.
