

Newmason Properties have breathed life back into these beautiful historical buildings. Situated on a landmark site in the Aire Valley Regeneration Zone. This £70m investment shows a design and quality of materials that create a style of living people can appreciate. Setting new values which aid regeneration of other sites and rewards investment. Victoria Mills is 95% occupied. The final phase of 20 apartments is to be released in March 2010.

www.victoria-mills.com

Stunning hotel apartments located in the Victoria Mills village complex. Hotel Apartments have become the preferred choice for the transient business/leisure traveller offering local companies a more attractive stay for colleagues/clients visiting the area. With guests from USA, India & France. There are many onsite facilities available to guests - gym, restaurant/bar, beauticians & more - creating employment for the area.
