## Delivering Professional Solutions to the Property Industry

**Rex Procter & Partners and RPP Management Ltd are two of Yorkshire's leading surveyors and construction and development consultants in the North.**

Both organisations have been involved in many landmark developments including those of Bradford's leading companies, brands and organisations.

With established local clients such as Wm Morrison Supermarkets plc, The Media Museum, Bradford Grammar School, Bradford Council, University of Bradford and Skipton Building Society as well as local regional developers close associations have been built through an honest, open, approachable business style where quality, professionalism and innovation are embedded in their service.

With over 125 staff in three regional offices and one southern office the two companies have one of the highest ratios of professionally qualified. From project concept to completion and beyond RPP and staff in the region.

From project concept to completion and beyond RPP and RPP Management Ltd are the first point of call for anyone considering developing or relocating their business to the Bradford region.
