A TRACK RECORD THAT SPEAKS FOR ITSELF

With over 14 years of developing landmark schemes from stunning, modern offices to the sensitive refurbishment of treasured listed buildings, Stoford has the experience and know-how to create bespoke buildings with green credentials.

We are currently on site with BREEAM Excellent rated office schemes in Coventry with the new £60M Severn Trent Centre; Stafford with the £35M County Hall and West Bromwich with the £70M All Saints regeneration scheme.

No wonder then that Stoford won the prestigious Regeneration Award at the Insider Property Awards, West Midlands 2009.
