PROLOGIS PARK COVENTRY

This prestigious Park has created thousands of jobs and has significantly contributed to the regeneration of north Coventry.

BEFORE

AFTER

Developed on the site of a former colliery, ProLogis Park Coventry has become one of the country's most successful business parks.

ProLogis has invested £18 million in the road network and on-site rail freight facility to create easy access for everyone based at the Park; logistics operators, manufacturers, office workers and residents alike.
