

## A TRACK RECORD THAT SPEAKS FOR ITSELF

With over 15 years of developing landmark schemes from stunning, modern offices to the sensitive refurbishment of treasured listed buildings, Stoford has the experience and know-how to create bespoke buildings with green credentials.

Stoford completed the stunning £60 million BREEAM Excellent rated office in Coventry City Centre for Severn Trent Water in September 2010 and will complete 2 other BREEAM Excellent office schemes in 2011, the £35 million County Hall in Stafford and the £16 million BT Plc building at Providence Place, West Bromwich.
