

Working with our customers to develop communities to be proud of

First Wessex manages around 17,000 affordable homes primarily in Hampshire.

We provide a full range of affordable housing in the City of Southampton including; rented, supported, shared ownership and key worker housing.

We manage a large portfolio of care and support services both directly and in partnership with other organisations. We provide customer focussed tailor made flexible services to a range of people including older people, homeless people, young people and people with learning disabilities and mental health problems.
