Founded in 1982 by Sean Mulryan, Ballymore Group is a design-led, international property development and investment group. Developments of note include Embassy Gardens, Pan Peninsula, 21 Wapping Lane, Baltimore Wharf, Eurovea and New Providence Wharf.

Ballymore specialises in large-scale, residentially-led mixed use schemes across Europe, in particular in London, and is a leader in urban regeneration, setting itself apart from other residential developers through its breadth of involvement in the whole development process.
