

# The heart of Hounslow

Investment in the 300,000 sq ft Treaty Centre has been a priority for new owners AG Quidnet, with over £1.5 million spent modernising the car park and refurbishing the interiors.

It demonstrates a commitment to creating jobs, and invigorating the local economy.

And it all adds up to better shopping in the heart of Hounslow.

£1.5m

refurb of centre  
and car park

8m

annual footfall
