

# TESCO

Our store in Strood first opened its doors over thirty years ago and it's thanks to our many loyal shoppers in Medway that it has been such a success.

*We'd like to build on that success.*

Image for illustrative purposes only

We're planning an investment in excess of £40m for a new store, right in the heart of Strood. As well as some of the latest in environmentally-friendly initiatives, there'll be more space to make shopping easier, and more choice for you.

And our brand new undercover free car parking will only be a short walk away from the rest of the town centre shops.

**STROOD IS CHANGING FOR THE BETTER...**

**...and we're proud to be investing in it.**
