

# A leading research-intensive university in the south-east

**University of Kent voted Best Educational Establishment by members of the Thames Gateway Chamber of Commerce.**

**At Kent we are committed to:**

- Providing excellent opportunities in higher education
- Undertaking innovative world-leading research
- Leading innovation, enterprise and creative activities in the region
- Providing high quality and innovative services to the corporate world
- Offering organisations the opportunity to benefit from Kent's vast research expertise

In the latest Research Assessment Exercise (RAE 2008) it was noted that 97% of Kent staff work in schools or centres where the research is classed as world-leading.
