

Invest in Medway

Medway is at the heart of a rapidly growing business innovation corridor between London and continental Europe.

It is a growth city, developing strategically located regeneration sites for major employment investment and housing.

We offer exceptional educational and cultural facilities, superb business support services and competitive land values - all set in a stunning maritime environment with world-class heritage and excellent transport connections.

Support for your business

Medway is the natural home for high value businesses. We provide micro / small business workspace, interest-free loans up to £2million, start-up grants, free business advice, employer resourcing services and innovation vouchers.

Kingsnorth Commercial Park

Development-ready commercial site with over 190,000m² of prime industrial / distribution space on 115 acres, including a single unit of 112,000m².

Chatham Waters

An 11 hectare redevelopment of part of Chatham Docks, focused on employment generation as part of a mixed-use scheme incorporating commercial, educational, event, leisure and residential uses.

Chatham Waterfront

Planning granted for a mixed-use scheme linking Chatham Waterfront to the town centre which will help regeneration of the wider area.

Rochester Riverside

First phase of residential units delivered and infrastructure works complete. Next development phase due for release summer 2013.

Rochester Airport

Master plan underway to develop more than 12 hectares of the airport site for business / science park employment development plus retention and improvement of current airport facilities.

Universities at Medway

Home to four established universities and a state-of-the-art college campus accommodating 10,000+ students.
