

Thinking of hiring an apprentice?

MidKent College is one of the top providers of apprenticeships in Kent. An apprenticeship will attract new talent to your business, improve customer service and tackle skill shortages. The College JobShop team can offer you a range of intermediate, advanced and higher level apprenticeships to suit your needs.

Your apprentice will learn through a combination of training within their work environment and also by attending the College on a day release basis.

MidKent College currently offer apprenticeships in:

- Accountancy
- Beauty Therapy
- Business Administration
- Bricklaying
- Carpentry and joinery
- Childcare
- Customer service
- Electrical installation
- Engineering
- Hairdressing
- Health and social care
- Hospitality and catering
- Housing
- IT
- Motor vehicle
- Painting and decorating
- Plumbing

MidKent College are also able to offer a Traineeship programme prior to committing to an Apprenticeship. This programme will allow you to engage a young person for up to 8 weeks on an extended work placement enabling you to assess them for progression within your company.
