

# *Our fresh approach to your premises.*

## **Professional *FM services* across Medway and the South-East.**

Medway Norse provides high quality, value-driven commercial services including cleaning, Facilities Management, catering, grounds maintenance, transport, security and waste management. Our fresh, dynamic and innovative approach to FM is saving money for clients across the South-East – and raising quality standards.

## **We're supporting *local jobs* and championing *local businesses*.**

Medway Norse is a major employer, committed to working with Medway businesses and supporting the economy through local procurement of services and goods. We're proud of our local partnerships.
