

University of Derby... for business

From start-ups to global brands, University of Derby has the knowledge, skills and expertise to support the needs of your business:

- Award-winning workforce skills development that takes place in the work place
- Part time study options – from apprenticeships and HNDs, through to an MBA
- Knowledge transfer partnerships
- Research facilities
- Access to our students through work experience and placement opportunities
- Graduate recruitment service
- Conference and event facilities

Our priorities and strengths are fully aligned with our region's business, economic and social needs. We're here for you.
