

Responsible Regeneration

At Capital Shopping Centres we believe in long term investment - as we have demonstrated in our partnership with Newcastle City Council. For over thirty years, we have worked successfully together to maintain the City's position as one of the country's top ten shopping destinations.

We are a company that takes our responsibilities very seriously. Through our ongoing programme of modernising and remodelling, we aim to provide better facilities, better shopping and more job opportunities. And we do this responsibly so that the whole community benefits, striving to create the best environment, using solutions that will be as good tomorrow as they are today.

Capital Shopping Centres - working for a better tomorrow.
