HOMES

**YUILL HOMES**

The North East's biggest housing led re-development initiative is underway in Scotswood.

**Partners Barratt, Keepmoat and Yuill have joined forces with Newcastle City Council to form the New Tyne West Development Company.**

This joint venture will transform the west end of the city, investing £265 million to create 1,800 homes, new neighbourhood and commercial facilities, parks and public open spaces. Job, apprenticeship and contract opportunities will also be provided.
