

PLACES FOR PEOPLE 40 YEARS' EXPERIENCE OF WORKING IN NEWCASTLE

Places for People - driving regeneration, providing new housing for all, supporting training and employment in Newcastle.

- Heavily investing into the regeneration of Walker Riverside, in the east end of Newcastle.
- Putting £2.7m into improving green spaces across the North East, as part of a Big Lottery initiative.
- Tackling worklessness and improving skills supporting 215 people back into employment, 364 into learning and 221 new business start ups*.
- Supporting the £5m Social Investment Bond which has helped establish new businesses, get people back into work and support voluntary and community sector organisations.
- Providing customer focuses housing management services across the North East Region
