

Specialists

in vocational education
and training

Working with employers in Reading
and the Thames Valley

Training targeted to increase your business performance

A business advisor will provide a free assessment of your training needs and advise on the best solution.

Funded and affordable training

Some education and training is funded depending on the course and the employee. We provide access to government sponsored schemes such as Apprenticeships, Train to Gain, and Skills for Life courses.

Flexibility to suit your business

Training is flexible and can be work-based, college-based or both.

Wide choice of training

Long and short courses and qualifications relevant for most industry sectors.

- Business and Management
- Care Professions
- Computing and IT
- Construction
- Engineering
- English and Maths
- Hairdressing and Therapies
- Health, Safety and Security
- Hospitality
- Motor Vehicle
- Retail
