

A global university on your doorstep

There are lots of great reasons for choosing one of the top 200 universities in the world. We've highlighted just a few of them...

- We reach out to wide sections of the community through workshops for schools, access to student tutors and visits into the University from schools or individuals on weekly campus tours.
- The University is estimated to contribute £600 million to the local economy annually
- Two thirds of our students stay within a 50 mile radius of Reading upon graduation

- We are investing £250 million in our main campus over the next 10 years
- Our historic merger with Henley Management College has created one of the largest full-service Business Schools in Europe
- We have won the Queen's Anniversary Prize for Higher Education three times; in 1998 for the Globe Theatre Project, 2006 for Meteorology & 2009 for Archaeology
