

A global university on your doorstep

There are lots of good reasons to work with one of the top 200 universities in the world.

We've highlighted just a few of them ...

The University contributes around **£600 million** to the **local economy** every year.

Two thirds of our **students** choose to stay within a 50 mile radius of Reading after they graduate.

We reach out to wide sections of the community through **workshops for schools**, access to **student tutors** and **weekly Campus tours** that are open to everyone.

We've **invested £400 million** across our campuses in the last 10 years.

Our historic merger with Henley Management College created **one of the largest full-service Business Schools in Europe** – Henley Business School.

We've won the **Queen's Anniversary Prize** for Higher Education three times:

- in 1998 for the **Globe Theatre Project**
- in 2006 for **Meteorology**
- in 2009 for **Archaeology**.
