

Lifestyle for a Global City

NEO Bankside

Twenty Bishops Square, Spitalfields

NEO Bankside

Native Land is a central London residential developer with a track record of delivering complex projects from start to finish.

Notably, NEO Bankside our award-winning development in Southwark is approaching completion after 6 years of endeavour.

Working alone or in joint venture we bring together the expertise to create outstanding buildings that play a key role in strengthening London as a World city.

With project values from £30m to over £400m we work across a range of scales. Financial strength and integrity place us among the leading developers working in London today.

Our experienced management team are always interested to hear from those with opportunities in central London, visit native-land.com for details.
